ATF 14&U TEAM TO GRADE A – EAST ASIA IN NANCHANG

The 2025 ATF 14&U East Asia Team took part in the Grade A – East Asia Tournament held in Nanchang, China, from 26 to 31 May. This event was part of the Asian Tennis Federation's regional initiative launched in 2024, aimed at increasing competitive exposure for promising junior players across Asia.

Representing the ATF team were Yuting Wu (CHN), Sang Hyun Lee (KOR), Ke-Chieh Hsu (TPE), and Mi Na Lee (KOR). They were accompanied by Coach Seunghwan Sul from Korea. The team delivered notable performances throughout the tournament in both the boys' and girls' categories.

Ke-Chieh Hsu had a stellar run in Nanchang. The emerging junior from Chinese Taipei stormed into the girls' singles final and also clinched the doubles title alongside Jiarui Sun of China. China's Yuting Wu was also impressed by reaching the boys' singles final and making a solid run to the doubles semi-finals, showing strong form in both draws.

Mi Na Lee battled hard all week, advancing to the girls' singles semi-finals and finishing runner-up in doubles—an all-around impressive effort. While Sang Hyun Lee didn't progress beyond the opening round in the boys' singles.

The final standings of the 4 players is listed below:

Name	Gender	Position (Singles)	Position (Doubles)
Yuting Wu	Boy	Finalist	Semi-final
Sang Hyun Lee	Boy	26th	DNP
Ke-Chieh Hsu	Girl	Finalist	Winner
MI Na Lee	Girl	4th	Finalist

The ATF teams will continue to participate in upcoming Grade A tournaments by selecting a team of two boys & two girls along with a coach from the region for each event, offering a vital platform for development and competition.

The next ATF team heads to Kazakhstan for the Grade A – Central Asia tournament, set to take place from 2- 6 June.
